I am a young father with striving ambition to do a great job. I am always looking for a challenge and a new atmosphere to sharpen my skills. Currently I'm looking for stability and a consistent scheduled job to meet my family needs. I work well with others and I am well spoken with customers and associates. I have worked retail for over 13 years and am very experienced and also very technologically aware. I have experience using Microsoft Word, Excel, and Access through basic college courses. I am very efficient at data entry typing on average 65-70 WAM. I look forward to meeting you and thank you for reviewing my resume.
